TECH MEETINGS MAUI

Maui is an island paradise transformed by science and technology ... the ideal destination for your next meeting or convention.

Who We Are

TECH MEETINGS MAUI is a service of the Maui Economic Development Board (MEDB) that utilizes our island's high tech and visitor industries to support your scientific and technical meetings and events. MEDB has a proven track record of planning, managing, and producing successful events.

We offer the following services at competitive fees:

- Site selection and negotiation
- Venue coordination
- Travel arrangements
- Website and online registration
- Program development and implementation
- Speaker identification
- Printed materials for attendees
- Marketing and promotion
- Operational support
- Audio visual
- Food and beverage
- Entertainment
- Program evaluation

Our experienced event planners can help you with your special gathering on Maui that will meet your overall goals. Whether you're planning a small workshop for 10 or a major conference for 1,000 or more, we can help.

"MEDB not only saved me a lot of time, as a result of their experience in dealing with the (the hotel) they saved me a lot of money. I would encourage anyone arranging a conference or workshop in Maui to hire the MEDB to help organize it."

- Dr. Kyle Alfriend, TEES Distinguished Research Professor of Aerospace Engineering, Texas A&M University
Chair, 8th US/Russian Space Surveillance Workshop held on Maui

MEDB can help secure your meeting venue from a range of hotel properties to more unique locales such as the Maui Arts & Cultural Center, the University of Hawaii Maui College, or our own Malcolm Center located in the Maui Research & Technology Park which offers comprehensive audio, video and web conferencing options with the ability to communicate anywhere in the world.

"MEDB greatly facilitated our Conference and made it as efficient and trouble free and enjoyable as possible. This was the best and most conveniently organized conference that I have ever attended."

- Dr. Jim Degnan, Megagauss Conference
Chairman of the Air Force Research Laboratory

Each year, MEDB presents its Advanced Maui Optical and Space Surveillance Technologies (AMOS) Conference on Maui, attended by 600 key stakeholders and considered to be the premier technical conference in the nation devoted to space surveillance.

Location. Location. Location.

Whether you have a small group or large convention, Maui offers an ideal meeting destination with exceptional facilities at world-class resorts, a state-of-the-art Technology Park and numerous venues island-wide. Maui also offers exceptional technology resources to support your needs, beautiful island scenery, a myriad of island attractions, exciting outdoor adventures, and Maui's special Hawaiian hospitality. *Maui no ka oi* (Maui is the best).

The perfect accommodations await! The island of Maui offers approximately 61 hotels with over 10,000 rooms, along with a number of vacation condominiums and bed and breakfast inns.
